Black Eyes - Bradley Cooper - L20

Track taken from A Star Is Born soundtrack. Although the vocals and guitar are played by film star Bradley Cooper the song and lead sections was written by Lukas Nelson (Shown in the photo and is country star Willie Nelsons son). The film features some killer licks and lead playing and is well worth a watch.

The intro features a double stop played with an open E string and a minimal amount of vibrato on the B string 5th fret to give it that slightly out of tune jagged rock sound to the intro. Each down pick id played on the beat:

E|0-0-0-0--0-0-0-0--0-0-0-0--0-0-0-0--0-0-0-0|
 B|5-5-5-5--5-5-5-5--5-5-5-5--5-5-5-5| Add a small amount of vibrato to the 5th fret
 G|-----| of the B string. Play on the beat.
 D|-----|
 A|-----|
 E|-----|

E|-----|
 B|-----|
 G|-----|
 D|-----|
 A|-----5-4-2-0-(x4)-----| Rift played 4 times then allow the open E string to
 E|0-0-3-5-0-3-5-----0-----| ring over the vocal line counting 4 lots of 4.

E|-----|
 B|-----|
 G|-----| Play each chord on the beat.
 D|-----| The last strum of the last chord (an F) is staccato so must
 A|5-5-5-5-5-5-5-5-4-4-4-4-3-3-3-3-----| be stopped straight after it is played.
 E|3-3-3-3-3-3-3-3-2-2-2-2-1-1-1-1-----|

Back to the verse twice

Song ends with the main lick being played 8 times.

```
E|-----|
B|-----|
G|-----|
D|-----| x8
A|-----5-4-2-0-|
E|0-0-3-5-0-3-5-----|
```

The lead sections are played using the E minor pentatonic scale.
