

## Crimson Day Intro- Avenged Sevenfold- Level 8

```
e|-----2-----0-----0-----2-----0|
B|-----3-----1-----1-----3-----0|
G|---0---2---2---0---0---0---2---2---2---0---|
D|---2---0---0---0---0---2---2---2---2---0---0---2---2|
A|--2-----2---3-----0-----2---2-|
E|-0-----3-----0-----0-|
```

Em    D        G                    C  
Dark years, brought endless rain  
Am            D                    Em  
Out in the cold I lost my way  
Em                                    D  
But storms won't last, they clear the air  
G                    C  
For something new  
Am                    D                    Em  
The sun came out and brought you through

Avenged Sevenfold's 6<sup>th</sup> studio album featured the slow paced ballad style song "Crimson Day". The album is much more groove oriented than the previous albums made by Avenged Sevenfold, who are notorious for crazy guitar solos and awesome drum fills.

This song starts off with a finger picked intro and verse, timing is the key element to this song due to the groove element to the way it is played.
