Distant Colours - Manic Street Preachers - L18

This is the acoustic version played by James Dean Bradfield. We have tabbed a generic version as the timing is slightly different on the original, so best have a listen first.

E|-----|
 B|-----|
 G|-----| We use this chord to play the first section. >
 D|-----14-| Just 2 fingers used and alternate the index
 A|-11-12-11-12---11-| between the 11th & 12th fret.
 E|0-0-0-0-0-0-0-|
