Don't Fear The Reaper Guitar Lesson - Blue Oyster Cult - L16

Very popular lick which accompanies the main part of the song. Feels like an open Am, G, F (2 finger power chord), then back to the G again. Practice real slowly to begin with then build the speed up to the tracks actual speed.

```
E|-----|
B|-----|
G|--2-0---0---0---0---|
D|-2-----0---0---0---|
A|0-----2---3---2---|
E|-----3---1---3---|
```
