Everlong - Foo Fighters - L14

Be aware this song is in drop 'D' which means you tune the low E string down to a D note. As with many Foo Fighters songs, the timing is not a standard 4/4, so we would advise you listen to the song first as the tab shows only the basic parts of the guitar. Do remember there are 3 guitars on here so we've taken a generic approach for 1 guitar.

```
E|-----|
B|-----|
G|-----|
D|----11-11-11--11-11-11-11----11-11-11--11-11-11-11----7-7-7--11-11-11-11| x10
A|----9--9--9--9--9--9--9--9--9--9--9--9--9--9--9--5-5-5--9--9--9--9|(x4 the following times)
