Horse With No Name - America - L3

Very simple 2 chord song. Although they retuned their guitars, its easy to play in orthodox tuning. We suggest you start by playing the chords with 4 downstrokes to get used to the feel of them, then try adding the generic rhythm we have suggested below.

Em F#

E|-0---0-----|

B|-0---0-----| Strumming - Em D, DU, DU, DU

G|-0---2-----| F# DU, U, U, DU
