Hot Love - Trex - Level 8

Great glam rock number by Trex with Marc Bolan (as shown in the picture below). The bass line starts the song off which we have tabbed out for you to try. The chords are relatively easy to play. Make sure you use the B on the fourth beat for just one beat so it becomes a passing note. The solo starts off with a staccato G played across the 3rd fret of the E & B strings, then goes up to the twelfth fret to play a simple lick in G major pentatonic.
