Hysteria - Muse - Level 30

We advise listening to the song if your not familiar with it. To start the song place the edge of the pick on the 3rd fret of the low E, pressing it into the fretboard to generate a G note and move it across the string, then slide up to the 4th fret and then keep going up the fretboard as far up as you can go moving faster the further you go up.

Verse

```
E|-----|
B|-----|
G|14-----13-----10-----9-----|
D|---(x7*)-16-16(>17)-16-14---(x7*)-16-16(>17)-16-14---(x7*)-16-16(>17)-16-14---(x7*)-16-16(>17)-16-14---|
A|12-----11-----8-----7-----|
E|-----|
```

*=down up down up down down up

Play the verse twice followed by an open A chord. The rest of the verse is just drums, bass and vocals so there is no guitar until the chorus;

The chorus starts with 2 lots of dampened 4's then;

Chorus

```
E|-----|
B|-----|
G|5---7-----|
