Mony Mony - Billy Idol/Steve Stephens - L15

Originally penned by Tommy James & The Shondells this song was covered by Billy Idol with the fantastic Steve Stephens on guitar. Try and 'chug' using the E & A string and some palm muting to get the rock rhythm sound on the main intro section. The pre-chorus has some fast changes on the chords so be ready to slide quickly.

Intro

E|1-----|
 B|1-----| Use right hand muting
 G|2-----| and try and chug using the E&A strings mainly
 D|3-(x8)-----| x4
 A|3-----| Repeat this for the intro
