Moves Like Jagger - Maroon 5 - L12

Although really a song with 2 chords its the rhythmic part that is the challenging part of this song. The 'D' & 'U' indicate the picking motion that we have used (Down & Up), however feel free to experiment and use your own if it better suites you. The 'x' indicates a dampened string to give you a percussive sound. Do this by realising the pressure slightly on your fretting hand. The second part is almost a duplicate but its played down on the 7th fret - use the same strumming as the first section.
