Verse 1

Em

It's late in the evening

Glass on the side I've

Been sat with you

For most of the night

Am

Ignoring everybody here

We wish they would disappear

So maybe we could get down now

Em

I don't wanna know

If you're getting ahead of the program

I want you to be mine, lady

Am

To hold your body close
Take another step into the no-man's land
For the longest time lady

Verse 2

Em

This love is a blaze
I saw flames from the side of the stage
And the fire brigade comes in a couple of days
Until then we got nothing to say and nothing to know
But something to drink and maybe something to smoke

Am

Let it go until I wrote the change
Singing we found love in a local rave- no
I don't really know what I'm supposed to say
But I can just figure it out and hope and pray

Em

I told her my name, I said it's nice to meet ya
Then she handed me a bottle o' water filled with tequila
I already know she's a keeper
Just from this one small act of kindness, I'm in
Am
Deep if anybody finds out I'm meant to drive home
But I drunk all of it now, no
So weary now
We just sit on the couch one thing led to another
Now she's kissing my mouth

Bridge

Em

Can you feel it?
All the guys in here don't even wanna dance
Can you feel it?
All that I can hear is music from the band

Am

Can you feel it?
Found you hiding here so hoped you take my hand, darlin'
Before the beat kicks in again
