G Em Bmin D
Are you hanging up a stocking on your wall?
G Em Bmin D
It's the time that every Santa has a ball
C G
Does he ride a red nosed reindeer?
C G
Does he turn up on his sleigh
Amin C D
Do the fairies keep him sober for a day?
Chorus:
G Bmin
So here it is merry Christmas
A# D
Everybody's having fun
G Bmin
Look to the future now
A# D
It's only just begun

A song from one of the most underrated rock bands from the 70's era. Although they were mostly known for this 'glam rock' Christmas hit and 'feel the noise', their back catalogue is vast and really rather good as an old fashioned rock and roll band.

When playing this song, line up the words with the chords. Firstly, hum the words in your head, then when you feel more comfortable hum out loud. When you can do this try singing the words to the song. Make sure there aren't too many stops and starts as the flow of the song is very important. Watch for the chords that are playing with no vocals!

Homework - Try this song out on the family and friends on Christmas day and get them to join in on the chorus. Merry Christmas.
