Yngwie Ascending Am Pattern - L32

Here Yngwie takes 4 different patterns using 2 strings and 4 notes each and plays them going up the fretboard. We have shown the different patterns by leaving a gap between them:

```
E|7-----7---8-----8--10-----10--12-----12--13-----13--15-----15|
B|--9-10-----10-12-----12-13-----13-15-----15-17-----17-18---|
G|-----|
D|-----|
A|-----|
E|-----|
```

Start off slowly by linking each 2 patterns together, then once you can do 2 adjoining patterns lock them altogether. Finally build up the speed to get this to Yngwie levels!
