Yngwie Symmetrical 1 String Pattern in Am - L29

Here Yngwie takes 3 shapes on the E string and comes up with a classically sounding phrases by moving it down the fretboard. We have left an extra gap between each new shape so you can find the transition more easily.

```
E|13-17-15-13--10-13-12-10--12-15-13-12--8-12-10-8--10-13-12-10-7-10-8-7--8-12-10-8--5-8-7-5-|
B|-----|
G|-----|
D|-----|
A|-----|
E|-----|
```

```
E|7-10-8-7--7-5-4-5-----|
B|-----|
G|-----|
D|-----|
A|-----|
E|-----|
```

Start really slowly with this one picking each note and using alternate picking to do so. Once you have the 3 shapes you're able to move the shape up and down to get Yngwies lick. You can also try different keys for this one. Try it in firstly in B, then G. Now try moving
