Where's Captain Kirk - Spizzenergi - L10

"Where's Captain Kirk?" is a 1979 single released by punk/new wave band Spizzenergi. It's all 2 finger power chord. Watch out for the triplet strumming at the end of the bridge! This version was tabbed from their live performance and is slightly different from the studio version.

Intro/chorus

E|-------------| rythum – is 1,2,3 (4 is where you change chords)
B|-------------| Keep the strumming going with alternate strumming throughout.
